### Notes

**Types of membership:** There are two main types of individual membership of the Woldingham Village Club: full and associate membership for adults, senior citizens and junior members. Full membership is given to residents of Woldingham and associate membership to non-residents. Full members, 18 years and over, enjoy certain voting rights in relation to election of the Club's Committee. Normally, only members, their children and members' guests may use the Club.

**New applicants:** All new applicants need to be proposed and seconded by a current full member of the Club. Membership implies full acceptance and abidance of all of the Club's rules. At the discretion of the Club Steward, applicants for membership may enjoy the Club's services and facilities until their application has been formally approved. Newly approved members will receive a membership card along with a summary of the Club's rules.

**Current members:** Current or existing members do not need to be proposed or seconded but should simply attach their current membership cards for renewal.

**Membership fees:** In 2007, annual membership fees, for both full and associate membership, are £20.00 for adults (age 18 to 64 years inclusively), £12.00 for senior citizens (age 65 years and over) and £10.00 for juniors (age 16 to 17 years inclusively). There are no joining or administration fees. Membership fees should accompany the completed application. Cash and crossed cheques payable to **WSC Ltd** are acceptable. Cash may be handed to Club staff for which a receipt will be provided on request.

**Data protection:** Information supplied will be held in strict confidence and any personal data held in the Club's records are protected by the terms of the Data Protection Act 1998.

**Children:** Members' and guests' children under 16 years must be accompanied and supervised by a responsible adult at all times. The Club accepts no responsibility for the safety of unsupervised children while they are in the Club or in the Club grounds. Children's safety and good behaviour remains the responsibility of the accompanying adult(s).

**Guest fees:** Members may invite up to 3 guests at any one time into the Club. Fees for each guest are £1.00 per visit or £2.50 per week.

**Corporate membership:** The Woldingham Village Club welcomes corporate memberships particularly from local groups. A separate application form needs to be completed and submitted.
